

### Group 3

**Note: Laura's corrections are made in Bold.**

Skills 9, p. 148

#### Skill Practice 1

2. (S) common to
3. (D) while
4. (S) resemble
5. (D) distinguish
6. ~~(S) depend on~~ **(D) varies**
7. (S) **universal** . . . common to
8. (D) whereas

#### Skill Practice 2

2. (D) Appropriate classroom behavior may vary from culture to culture. (**vary**; on the other hand)
3. (S) There are only a few similarities between the traditional behavior of language teachers and that of adults caring for young children up to the age of four or five. (similarities; **resemble; like**)
4. (D) The language used by parents with two-year-olds has qualities that distinguish it from the speech used with older children and adults. (distinguish; **more [precise and distinct]; rather than**)

#### Skill Practice 3

Area of contrast	Families in the 1960s	Families in the 1990s
Working mothers with children under one year	31%	58%
Children living with two parents	88%	74%
Children living with one parent	9%	25%
Divorce rate	2%	9.4%
